1. The following is an examiner's statement of reasons for allowance: prior art of record fails to teach, or renders obvious, alone or in combination, a method and an article of manufacture comprising a program storage medium having computer readable code embodied therein, the computer readable code being configured to enable selective discarding of messages received at a receiving device coupled to a telecommunication network. There is included code for ascertaining whether a type associated with a received message at the receiving device is one of protected message types. There is further included code for passing, if the type associated with the received message is the one of the protected message types, the received message to an application irrespective of an age of the received message, the age being representative of a time duration that the message has been present in the receiving device as directly recited in all independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Benny Q. Tieu whose telephone number is 571-272-7490. The examiner can normally be reached on Monday-Friday: 6:30AM - 5:00PM.
